
EXPERIENCE

CODAL **SENIOR UI DESIGNER** APR 2018 - PRESENT

Crafted annotated prototypes of varying fidelity for web, mobile, and responsive designs using programs such as Sketch, InVision, and Figma.

Collaborated with PMs, clients and other members of the design team to identify user needs and create product specifications and feature lists.

Built comprehensive UI component libraries and design systems from scratch and for existing brand conventions.

NMW DESIGN **FREELANCE DESIGNER** SEP 2014 - MAR 2018

Client: Integrity Solutions

Assisted creative director in redesigning Integrity Solutions current web platform. Assisted in style exploration and designing high-fidelity mockups.

Client: Unbound Art

Worked with a local art gallery and established a consistent brand identity throughout all collateral, packaging, web, and display designs.

DESIGNATION **UI/VISUAL DESIGNER** APR 2015 - OCT 2015

PROJECTS: TECHWEEK, KENSHOTREE, ELEVATE

Learned full-stack design and applied knowledge to mock and client projects.

Collaborated in an agile environment to design and develop responsive web and mobile apps using design thinking.

MEDIAFLY **JUNIOR GRAPHIC DESIGNER** MAY 2014 - SEP 2014

Managed and updated the Medialy brand while updating all assets including logo usage guidelines, colors, fonts and marketing illustrations
